EQUESTRIAN TRAVEL

Nancy D. Brown

Whether horseback riding in Ireland, Wales or the United States, Nancy Brown is the first to admit that she has a dream job. Growing up showing Quarter Horses, Nancy knew she wanted to combine her passion for travel with her love of horses. The result is Writing Horseback, a blog designed for experienced equestrians or the first time rider to locate horse riding vacations or day rides.

A professional travel blogger, Nancy D. Brown reviews destinations and hotels on www.nancydbrown.com. Her writing has appeared in Shape Magazine, Alaska Airlines, Afar magazine, Chicago Tribune, San Jose Mercury News, 7x7 magazine and Diablo magazine, in addition to numerous online sites.

A fourth generation Northern Californian, Nancy was born and raised in the San Francisco Bay Area. Her love affair with horses began in elementary school and continues to be her passion to this day. She travels the world, often on horseback.

Nancy attended the University of Oregon, School of Journalism. She and her husband live in Northern California and have two adult children, in addition to their Labrador Retriever.
